SHOWS

Gene Stewart has a bourse the 2nd Saturday of each month at the Stratford Inn from **10AM to 4PM** across from the former site of the Chrysler Plant in Fenton.

STUFF

With the year winding down, it's time to plan programs for the coming year. The vice-president could use your input on what you would like us to do next year.

An email went out from Wayne Youngblood on October 14 seeking people to stand for an office in our elections to be held in November. If you have ever thought about serving our organization, now is the time to speak up.

BUX AUCTION

What are Auction Bux, one might ask. All during the year, a sheet is passed out at each meeting listing the various club activities. You earn 5 Bux for simply showing up at a meeting. There is a reward for participating in the 50/50 drawing, for working at one of the shows, for contributing an article to the newsletter, for being an APS member, and for being an officer. Some people accumulate over 500 Bux during the year.

The Auction Bux are used in place of money at the annual donation sale.

If you have lots that should be in the "Auction Bux" sale, please send description to Gary Hendren by Thursday, 10/30 at g2hslm@msn.com.

FALL MEETINGS

In October, **Gay Gasser** has a program to allow us all to earn additional Auction Bux we may spend in the November sale. The program is called "**Philatelic Jeopardy**" and is based on the popular TV game show.

November is the time for our Auction Bux sale. See story to the right about Bux.

We finish the year with our annual holiday party at Syberg's. This is an excellent time to get together with friends and spouses to end the year. It is set for Thursday, December 4th. Full details will be in the next Perf Dispatch.

BREAKFAST CLUB MEETING

The Breakfast group meets the second Monday of the month. The next meeting is **November 10th** at **Hilary's Roadhouse**, 11488 Dorsett Road in Maryland Heights near the intersection with Fee Fee Road at **8:30 AM**. Although there is no regular club meeting in July, the Breakfast group meets year round.

WHAT HAPPENS TO YOUR STUFF

Several places this month, I have read about the need for a **Philatelic Executor**. This is someone who knows your collection and will work with your family to dispose of your collections when you are gone.

David Straight and I had a pact that we would act as philatelic executor for each other. We were equally familiar with what the other collected. I felt sure that he would be working with my brothers someday. After all, David was 7 years younger.

If you plan to leave your collection to your children or grandchildren, it would be a good idea to make sure that they are interested. Having an executor helps insure that your wishes are carried out. Be sure that your family is aware and knows who will speak for you when the time comes.

Well, I'm on the back page and out of witty things to say, so I will put pretty pictures here.
