

GMCSG MEETING MINUTES
June 25, 2018

Attendees: Tom Minor, Gene Stewart, Phil Schorr, Katrina Whitaker, Tom De Groot, Roger Grider, Ed Bayham, Paul Hicks, Pat Morgan

50/50 sales were a total of \$9.00. Tom Minor was the winner.

Attendance Prize won by Katrina Whitaker, Lucky Number was #3.

Meeting was brought to order at 7:38PM by Phil Schorr.

Motion to approve the minutes of the May meeting was made by Katrina Whitaker and seconded by Roger Grider. Motion to approve passed.

No Treasurer's Report as Gary Hendren was at StampCamp.

Liz Engel donated a stamp collection (covers and stamps on paper) to the club. Pat Morgan will combine it with the rest of the club's stamps.

Phil reported that Dave Marsh, former Secretary sold his house in St Louis at the end of May and is all settled in to his new house in Wisconsin.

Tom Minor reported that there are 7 dealers signed up for Stampfest, August 18-19,2018 in the Parkway Central High School Gym. Tom passed around sign-up sheets and encouraged EVERYONE to show up for the July meeting to stamp and address the mailing for Stampfest. All club members are encouraged to sign up to help man the Club Table, Set-Up on Friday, Tear down on Sunday. Dealer & Club Pot Luck will be at 5:30PM on Saturday. Club will be providing Chicken and BBQ and each member and their family is requested to sign up and bring a side dish for the Pot Luck dinner. Lastly, Ed Bayham has stated that he will volunteer to be the 2019 StampFest Bourse Chair. THANKS ED!!!

Discussion on the Newsletter envelope was held. Final decision was to continue to use the current green envelopes.

Next meeting will be July 23rd, 2018 at Tropicana Lanes and include an auction. REMEMBER to bring in your lots for auction next month!

Missouri Numismatic Society Coin (Stamp) Show will be held July 26-28, 2018 at the St Charles Convention Center.

Tom Minor gave a very interesting presentation "Pilgrimage to Saint Jake" which is captured on Spanish postage issued in a 1971 series. The presentation provided the history of how St. James remains ended up in the Cathedral of Santiago de Compostela in northwest Spain. The pilgrimage covers over 500 miles from France. The presentation explained each stamp in the series across the country along the path. Tom added many interesting architectural facts about the Cathedrals and buildings depicted on the stamps. The presentation was very interesting. Thanks TOM!
Meeting adjourned at approximately 8:45PM

Minutes submitted by Pat Morgan
