Stamp Expo

Again this year, we need volunteers for Saint Louis Stamp Expo to be held, 7-9 March at the Renaissance Hotel near the airport. GSLSC will be choosing a day that we will supply door watchers and guides.

Gary Hendren is in charge of the dealer floor at the show and can always use help during setup and take-down. **Norm and Jo Potashnik** are in the Youth Room again.

Also, **Gary, David Straight, and Don Woodworth** will be conducting Boy Scout merit badge classes for about 20 young men. They can use all the help they can get.

<http://www.MoPhil.org/gslsc.htm>

APS News

Our own, **David Straight** is running for one of the Director-at-Large positions on the APS Board of Directors. David served a couple terms as president in the 1980s and has been a member of the American Philatelic Research Library board for a couple years.

Liquidation

At the February meeting we will have several boxes of foreign stamps that at one time belonged to a very avid stamp collector who passed away this past year. This is the collection that was discussed several months ago.

We will use the occasion to refine a system to help all of us to address the problem of getting rid of our own collections when the time comes. What we will have at this meeting are recent (within last 10-15 years) of on-paper stamps. Most of the stamps will be priced at 5¢ with those approx. a dollar or more in catalog value going for 25¢.

The stamps will be available at 7:15 only if we keep the room quiet so Gary can run the youth room without distraction. This is your opportunity to help a widow and yourself to some great finds and a practice run on preparing your estate for liquidation.

Anyone planning a visit to stamp shows out-of-town this summer? Looking for someone to share the ride or room?

Several people are going to APS StampShow in Columbus, OH in August. A group usually makes the pilgrimage to INDYPEX in July.

Contact **Alan Barasch**, (email: alan@mphil.org) about space.

StampFest

This year, our sister club across town, **Webster Groves Stamp Club** is celebrating its 75th Anniversary. In recognition, they have reserved all frames for StampFest for their members. Anyone who is planning to exhibit, should join the Webster club.

The Webster Groves Stamp Club meets the 1st and 3rd Friday evenings at 8:00 PM at the Congregational Church on Elm and Lockwood. The meeting always begins with an interesting presentation and concludes with a 50 lot auction. Some items in their auctions have sold in high 4 figures.

This year, Webster Groves will be purchasing "real" ribbons and trophies. They will provide an accredited judge. They are encouraging each member to provide a one-frame exhibit so we should have quite a treat.

StampFest is moving to a new location. The show will be held at Kirkwood Community Center, 111 South Geyer Road. New maps are on the back page!

Annual BBQ

Our Annual BBQ is at 6:00 PM when the show closes on Saturday night. This is when we award prizes for the best exhibits. Many of our

Webster Groves friends will be joining us this year.

Food

A list will be passed around at the meeting to get an idea what kind of covered

dish food you are bringing to the BBQ. The club provides chicken, burgers, condiments, and soda. There is sufficient refrigerator space in the snack bar to bring things in the morning for that night.

Volunteer Opportunities

We need lots of help to put on a show like StampFest every year. A group of lists will be passed at the meeting with suggested times for help. We need workers for setup and takedown, the Welcome Desk, setting up frames on Friday night (maybe), transporting frames from storage and help in the Snack Bar.

Important Announcement

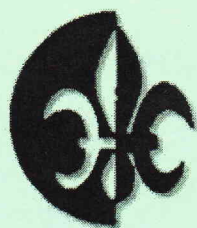

At next month's meeting, there will be several unique items in the members' auction. Along

with the routine lots are three specially prepared lots dealing with China.

The first lot deals with early China and will consist of approximately 175 all different stamps from 1899-1948 (Scott 98-J-103). The second lot will cover about 150 stamps issued by Formosa up to the present time and the third lot will cover mainland China from the time period after World War II to date and will consist of approximately 115 stamps. The three mini-collections contain all Scott numbered stamps and include many overprints and Back-of-the – Book items.

A chance to really upgrade a difficult area especially the many overprints. The three are offered as separate collections and as one single lot. *Be prepared!*

*This was reserved
for Auction lots
but none were turned in.*
