Secretary report: We have new forms for the attendance prize awarded at each meeting which will allow us to know how many are still out and not used. We only have two members left who have not yet paid their dues for 2022. An illustration for identifying the inverted frames for Danish West Indies stamps is available.

VP report: Katrina encouraged members to volunteer to present a program for one of the open dates remaining on the schedule. We also need someone to volunteer to be in charge of the food sales for StampFest, and be thinking about what dish you will bring to the pot luck dinner on Saturday of StampFest.

Announcements:

- Socopex has been cancelled for March. Come to Bill Raible's shop instead.
- Expo is coming up in March. Volunteers are needed to set up the frames on Wednesday and take them down on Sunday. On Thursday we need help with setting up the youth room and to check in dealers. During the show we will need volunteers to take 2 hour shifts at the Registration Desk and in the Youth room. There will also be a table for the club in the hall. If you have some free time, spend it working the club table. Remember, all volunteers at the show receive AuctionBux.
- There will be 37 dealers at the show.
- Programs were not mailed this year, just post cards.

Auction: David Mahsman and Richard Thies conducted the monthly auction.

Program: Tom Minor presented a program on the philatelic connections with "Esperanto", one of the attempts to develop a universal language.
