Minutes: The February meeting Minutes were approved - motion by Gene and second by David..

Treasurer report: Pat reported the total assets of the club at the end of January were \$17,985.86. The detailed Treasurer's report is available in the member section of the website.

Secretary report: Phil reported we have only one person who has yet to pay their dues for 2022. A quick review of the stamp popularity poll ballots filled out by members gave interesting results. New name badges with the member number on the back are now in use and should help during the auctions.

VP report: Katrina thanked all the members who helped with Expo. She encouraged members to volunteer to present a program for one of the two remaining open dates on the schedule. Finally, be thinking about what dish you will bring to the pot luck dinner on Saturday of StampFest.

Announcements:

- Thanks to all the volunteers who helped with Expo. Paid attendance was 320, well up from last year.
- Gary Hendren won the Single Frame Grand at Expo. Congratulations!
- We still need a concession stand chair for StampFest. Please consider taking it on.
- Member pins were given to our newer members.
- All 20 of the membership applications set out at Expo were taken. We hope this will lead to more new members.
- Socopex is scheduled for Saturday, April 9.

Auction: David Mahsman and Richard Thies conducted the monthly auction.

Program: Jerry Schultz presented Part 1 of his program on Oil. He took us through the starting dates for most of the current and former major companies. He passed around publicity material from many of the companies and showed models of gas pumps and company planes.
