Guy Gasser called the meeting to order at 7:35 p.m.

Drawings: Mike Karasick won the 50/50 cash prize drawing (\$16.00). The attendance prize \$10 Certificate for use at a future StampFest was won by Tom Minor.

Minutes: The March meeting Minutes were approved - motion by Katrina and second by Larry.

Treasurer report: Pat reported the total assets of the club at the end of January were \$18,079.61. The detailed Treasurer's report is available in the member section of the website.

Secretary report: Phil reported we only lost two members from last year, and before this meeting we already have one new member this year. He also reported on the final national results of the APS stamp popularity poll.

VP report: Katrina introduced a new member who just joined tonight – Mike Karasick. She encouraged members to volunteer to present a program for the only remaining open date on the schedule. Finally, be thinking about what dish you will bring to the pot luck dinner on Saturday of StampFest.

Announcements:

- We still need someone to serve as Chair of the concession stand for StampFest. Tom Minor has again agreed to chair the show (Thank you, Tom) but he can't also Chair the concession stand. In order for StampFest to be a success we need more members to step up to help.
- Member pins were given to our newer members and Guy reminded everyone to wear their pins at meetings and shows.
- Socopex is scheduled for Saturday, May 14.

Auction: David Mahsman and Richard Thies conducted the monthly auction.

Program: Jerry Schultz presented Part 2 of his program on Oil. He passed around many of the sticker booklets oil companies gave their customers to encourage them to keep coming back to that gas station. Most of the booklets had the collectible stickers in them. Very interesting.
